Subject: Dennis M Mckeon

Dear J.R. Adams:

The Georgia Board of Construction Industry Licensing has completed its inquiry against the above referenced subject. Based on the information provided to the Board, the case has been closed for the following reason: A letter of concern concerning advertising practices was sent to the licensee.

You may wish to consult with your personal attorney or a court of appropriate jurisdiction to determine what civil remedies may be available to you.

We will retain this information in our files. If you have any additional information to support your complaint, please submit the information to the address below. Please feel free to contact our office at 478-207-2440 if you have any questions.

Sincerely,

Georgia Board of Construction Industry Licensing
